Sharon, FYI here. At the very end of this story, there's a reference to the battery fee law that we wrote to Ana Mascarenas about. Did she get back to you before she left for her month away?

I heard a lengthy story on Exide this morning on KQED with quotes from DTSC's Barbara Lee and Mohsen Nazemi. This link provided that written version of the audio report. A big focus is on the liability for the cleanup.
